I. Welcome to EuroTUG 2022

Welcome to EuroTUG 2022

EuroTUG 2022

12–14 September 2022, Munich, Germany

Virtual Meeting

[Link to registration](#)

What is EuroTUG?

- EuroTUG Meeting = European Trilinos User Group Meeting
- Meeting series for Europe-based users and developers of the TRILINOS projects:
 - learn about recent developments in TRILINOS
 - report on their use cases and experiences with TRILINOS
 - interact with the TRILINOS leadership and core developers
 - form a European network of TRILINOS users and developers

Acknowledgement:

The EuroTUG 2022 is organized under the auspices of the *Center for Digitization and Technology Research of the Bundeswehr (dtec.bw)*^a and is embedded into the project “hpc.bw – Competence Platform for High Performance Computing” of dtec.bw.

^a<https://dtecbw.de>
